Supporters of our Fremont Community,

The Fremont Public and Parochial Schools thank you for your past and present support, they've counted on donors like you for improved quality of facilities that today's student-athletes have the privilege to utilize in each respective sport.

With that being said, the work is not done! On **May 5<sup>th</sup>, 2018** we will hold our annual Seafood event at Time Out Sport's Bar in Fremont, OH. After raising nearly \$40,000 in last year's event, we're looking to continue to grow our ability to pay down the remaining debt through activities such as this event in order to continue moving in a direction that offers the city of Fremont the best facilities possible!
